The Jorge Posada Foundation is a non-profit organization established by the New York Yankees' All-Star Catcher, Jorge Posada, and his wife, Laura. Their son, Jorge Luis, was diagnosed with Craniosynostosis when he was just ten days old and has undergone eight major surgeries to correct the condition. The Posada Family strongly believes that they were touched by Craniosynostosis so that they could make a difference in the lives of others dealing with this condition.
